

2018 Annual Dinner Live Auction

Martinis at the Mansion

Find out if President Buchanan prefers his martini shaken or stirred! Be the guest of “Old Buck” and Lancaster’s finest bartender, Gary Hufford, in the parlors of Wheatland. You and twenty guests will have the mansion to yourselves for the most unique cocktail party in Lancaster. Open bar and light hors d’oeuvres will be provided, and best of all, you’ll be serenaded by Lancaster’s very own crooner, Tuck Ryan. We will provide you with a bit of context—or inspiration—as we share the backstory on the drinking habits of Pennsylvania’s only US President. But be warned: don’t try to keep up with the President; once, after observing Buchanan drink two bottles of cognac and wash it down with rye whiskey, John Forney, the owner of the *Intelligencer Journal* wrote, “There was no headache, no faltering steps, no flushed cheek. Oh, no! All was as cool, calm and cautious and watchful as in the beginning.” Date to be mutually agreed upon.

Invitation Art—*Those darned amendments!*

James Buchanan and Thaddeus Stevens are in notable company as all join in bringing about amendments to our Constitution.
