April Nature Series Program Highlights the Wonders of Spring in the Tanger Arboretum

Join Naturalist Lisa Sanchez for a Tour and Talk on Spring Blooms at LancasterHistory

LANCASTER, PA — Embrace the vibrant colors and fragrances of the season with the Friends of the Tanger Arboretum at LancasterHistory. Join us on Saturday, April 20, at 10am for a captivating talk and tour on "Spring Blooming Trees & Flowers."

This enriching program will be led by Lisa J. Sanchez, a seasoned naturalist with the Lancaster County Department of Parks & Recreation Environmental Center. With 30 years of experience, Lisa is dedicated to teaching individuals of all ages about the wonders of nature and the importance of environmental stewardship. Attendees will have the unique opportunity to accompany Lisa on a leisurely walk through the Tanger Arboretum, learning about the variety of trees and flowers that herald the arrival of spring.

Tickets for the event are \$5 for adults (18 and older) and \$3 for children. Friends of the Tanger Arboretum members enjoy complimentary admission but must register in advance. Due to limited capacity, advance ticket purchase is strongly recommended to ensure participation.

Additionally, members of gardens that participate in the American Horticultural Society Reciprocal Admission Program are eligible to attend and should reach out to Emily Miller at emily.miller@lancasterhistory.org to register.

Don't miss this chance to witness spring's awakening in the company of fellow nature enthusiasts

and experts. To purchase tickets or for more information about the event, please [visit](#)
